# Dedication

Four years ago, when we were all about to begin our descent into high school, the class of 2013 found out that Mr. Caulfield would be the class advisor, and each and every day for the past four years he has gone above and beyond in his duties and responsibilities as an advisor. As a teacher, Caulf strived to make all students feel as if their answer was right, regardless of how wrong it may have been. He has also become a mentor to each and everyone of us, and someone we knew we could trust with all of our problems. So thank you, for everything you have done for our class, you helped us through all of our fundraisers and events, and you helped us mature through high school. No matter what you never gave up on us, and you have been there every step of the way. Words cannot express how much each member of the senior class will miss you when we leave for college, but we all love you for all that you've allowed us to accomplish.

# Administration

Dear Graduating Class of 2013,

As graduates in 2013, those of you who attended Millis Public Schools throughout your educational years started Kindergarten in 2001, just after the turn of the century. We often give each century a label, perhaps trying to capture the essence of our experiences, and the 21st century has been hailed as the Age of Innovation. I am confident that this class will excel in the Age of Innovation due to the experiences you have had here in the Millis Public Schools that have focused on the "21st century skills" of creative problem solving, collaboration, communication, creativity, cultural awareness and critical thinking - all grounded in strong content knowledge. Moreover, you have shown that you have grit and a strong work ethic, compassion for others and good interpersonal skills, are civic-minded, and are passionate about making a positive difference in the world. These character attributes are, according to research, even more indicative of success in life than test scores, although in that area you are no slouches!

You have had the benefit of growing and learning in a community that values education and nurtures and supports its young. The Millis Public Schools have earned several recent awards, partly due to your hard work:

- Last May MHS was named one of the top 1000 public high schools in the United States by Newsweek Magazine. Only 21 high schools in Massachusetts were included on the list.
- Boston Magazine listed Millis High School as one of the Top 50 High Schools in Massachusetts in 2012.

Through your creativity and hard work you have won awards, been accepted into very highly competitive colleges, have become responsible as well as curious about the world, and are more ready for the global workplace in which innovation is a key to success. You have a strong foundation from which to leap into your futures. Pursuing what interests you most will ensure that you persevere and are more satisfied. May you all use the next few years to explore various fields so that you find your true calling and enjoy the fulfillment that comes from a life of purpose!

To the class of 2013,

Over the past four years you have truly left your mark on Millis High School. Your class has demonstrated true leadership, great spirit, and amazing talent. From the time you entered as timid freshmen in the fall of 2009 through the culminating events of your senior year, I have been impressed with you as students and young women and men of character. Whether in the classroom, on the stage, or on the playing fields and courts, the members of the Class of 2013 have been outstanding representatives of their school, their families and their community. I am so proud of you and know that you will achieve great things.

Years from now looking back at this yearbook will transport you to all of the good times you had here in Millis. The memories of friends, teachers, and others who touched your lives during your high school years will make you smile. You share a very special bond with your classmates -you are the only ones who can claim membership in Millis High School's Class of 2013. Thank you for four wonderful years and good luck as you venture out beyond our small school. Congratulations to the Class of 2013.

Sincerely,

We had a great season this year, going 8-2 in the TVL. There were some ups and downs this year, and losing senior captain Bay Tangney was a huge loss. Fortunately, we were able to play against Abington in the playoffs. It was a great atmosphere and even though we lost, it was a great experience to have one last game as a team. We love our seniors and we will miss them.

The highlight of our season was the MGVS second annual camp out. We also went to a haunted hay maze with both the JV and Freshman teams. We had a great season filled with many great times that strengthened our team chemistry.

## OUR ONE SENIOR!

Fielding a varsity level team for the first time in four years, and with only one senior on our roster, we started out the season at a considerable disadvantage. Each and every player gave 110% in an effort to hit the ground running, and we managed not to lose every game! It was an important learning experience, and we hope to come back next year better equipped for success.

Our team motto was "Ohana" because of the family bond we had made. We came out 10-10 in the regular season and 13-11 on the season as a whole.

We ended the season as sectional finalist.

Making it so far in the playoffs and our Volleyball for a Cure event were the most memorable moments of the season. Best of luck to our little sisters and all future varsity players. MGVVB <3

# golf

Back Row (L to R): G. Mullin, S. Luppino, C. Hauptman, M. Colgan, F. Malzone, T. McAullife, E. Vara, M. Kozak. Front Row (L to R): C. Burrell, C. Morrisson, N. Borgman, A. Ricker, C. Sanborn, M. Dwyer, L. Koh, C. Walsh.

It was a great season for the winningest Millis High golf team in recent history. The team was made up of good mix of hardened veterans and talented rookies. The team had an astonishing two wins this year, defeating both Bellingham and Ashland on home turf.

We also sent a dangerous foursome to TVL's this year consisting of Matt Dwyer, Camden Morrison, Cody Hauptman and last but not least, the captain, Mike Kozak. They were Gillis Molf's finest and they did us proud. It was a season filled with laughter and intensity, love and hope, death and tragedy. The team would like to dedicate this year to the goose on the first hole, who was tragically slain by Mike "eagles" Colgan. Never forget, 9/18/12

We went from being 1-19 to being South Sectional finalists in one year. We proved so many people wrong. We grew and learned so much this season. This season was unlike any other. We ended the season with a record of 9-11. We were seeded last in the division 4 tournaments, but we knew our record didn't mean much. Our first playoff game was against the #2 team. Although we were nervous, we found a way to play hard and also as a team. We went on to beat the #5 and #2 teams. Unfortunately we lost in the South Sectional finals, but we showed a lot of people how great we were. MGVBB will be back for more next year. United We Conquer.

Although the 2012 boys basketball team had an up and down year, the effort was brought in day in and day out. Led by Senior Captain & League All-Star, Chris Baker, the Mohawks managed to play every team tough and picked up key victories from Bellingham twice and Marian also twice. Beating Marian got us into the tournament, and we ended up losing to the number one seed, Westport, in the first round. The Mohawks graduate 5 seniors with Chris Baker, Derek Bauer, Andrew Sante Fe, Zach Zonfrelli, and Jesse Ricker.
